THE LOCATION

Centennial Tower is location in the central business area of Jakarta on the central road Gatot Subroto between Kuningan and Sudirman with easy access to the inner-city toll road.

Centennial Tower premium location in the proximity of the central business hubs with an abundance of restaurants, hotels and other activities makes it an ideal location for medium and large corporates to have their offices. The toll road enables easy access to Jakarta's international airport, ports and the rest of the city.

Jl. Gatot Subroto gives employees easy access to public transport with TransJakarta running regular services every day of the week 24-hour a day.
